CHECKLIST

Fence Construction/Alteration Permit Application

This checklist is provided to aid in the completion of the application for a Fence Construction/Alteration Permit that meets established requirements. Some items may not be applicable to all projects; if not applicable use the notation "NA" to represent "not applicable".

Table with 3 columns: Requirement, Owner Check, Town Check. Rows include: Two (2) complete plot plans (minimum scale 1 inch equals 20 ft) showing: Lot and plat numbers, Buildings (including colors and materials), Driveways, Existing fences (if applicable, including colors and materials), Location of septic system, Power and telephone lines, Location of water lines, Location of propane tank and service line (if applicable), Proposed fence lines (in red ink), Height and length of each different section of new fence, Fence heights are appropriate for each location (re: setbacks), Colors and materials to be used (in harmony with main structure), Drainage plan (if applicable), Applicable Plan Review, Permit, & Construction Inspection Fee (not refundable), Applicable Const Deposit (refundable if and when project is properly completed).

END OF CHECKLIST

I understand what is required in the above checklist, and agree to provide the requested information.
