Town Hall Moving to Public Works Facility

We have been working to remodel office space in the upstairs floor of the Public Works facility as well as build office space for our Water Department. The purpose of the move is to set aside funds (previously used for rent) for a permanent Town Hall and enhance our other Town buildings as we do so. The move is planned for early to mid-June. Signage will be set in place before the change of location, and we will notify residents of the official date via our email notification system.

Budget Season is Upon Us

The first reading of our Town's budget for Fiscal Year 2018-2019 will be on April 11th. The budget will be reviewed by the Town Council at 3 separate council meetings to allow adequate opportunity for residents to be informed.
